

**MINI ORIGINAL ACCESSORIES.**  
**THE NEW MINI 3-DOOR AND 5-DOOR.**  
**THE NEW MINI CONVERTIBLE.**

Typically MINI: The ultimate in individual accessories with MINI Yours Customised (2) and a personal message. The sporty John Cooper Works accessories programme offers a wide selection. For example, the 17" JCW light alloy wheel Multi-spoke style 505 in matt Jet Black (1), the JCW carbon fibre air inlet trim, the JCW carbon fibre exterior mirror caps (both in image 3) or the powerful 18" JCW light alloy wheel Cross-spoke style 506 Bicolour in Jet Black, gloss-lathed (4).

## YOUR MINI. YOUR DESIGN.

Are you searching for new avenues of creative expression? MINI Original Accessories can offer you just the freedom you need. Make a bold dynamic statement, for instance, with sport stripes or John Cooper Works side stripes (3, 4) and the Aerodynamics package with the paintwork of your choice. The front apron with encased fog lights (3), side skirts (3, 4) and the rear apron (4) accentuate the vehicle's athletic ambitions.

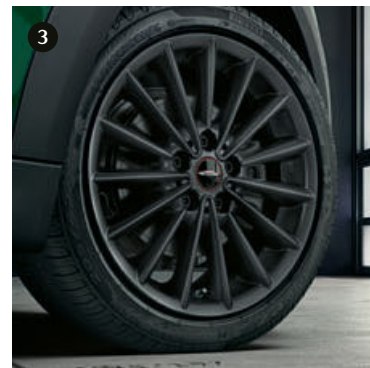

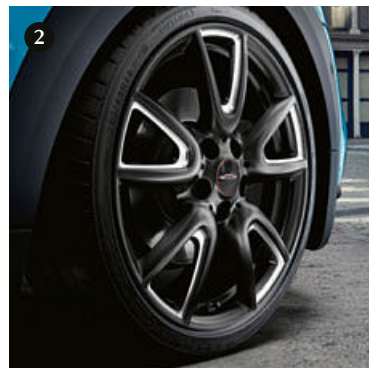

# BESPOKE STYLE.

Define your style: Beyond standard, beyond optional – start adding some extra character to the MINI of your choice with these distinctive light alloy wheels. For more information, please visit our accessories website.

- ❶ **18" JCW CROSS SPOKE 506, BICOLOR (JET BLACK, GLOSS-LATHED)**  
TPMS summer complete wheel set with run-flat tyres.
- ❷ **18" JCW DOUBLE SPOKE 534, BICOLOR (NIGHT FEVER BLACK, GLOSS-LATHED)**  
TPMS summer complete wheel set with run-flat tyres.
- ❸ **17" JCW MULTISPOKE 505, MATT JET BLACK**  
TPMS winter complete wheel set with run-flat tyres.

MINI Original Complete Wheels come with star-marked tyres. These tyres have been developed in collaboration with leading tyre manufacturers and are designed to provide the best fit for each model.

# STOW 'N' GO.

This secure **rear bike rack** was specially developed for MINI. It can accommodate up to two bicycles (with a maximum weight of 15 kg per bike) and allows the tailgate to be opened even when loaded.

**CAR COVER**  
This precisely fitted car cover protects your MINI reliably against sunlight, water, dirt and scratches.

**SKI AND SNOWBOARD HOLDER, EXTENDABLE**  
This lockable ski and snowboard holder can be pulled out at the side and fits all MINI roof rack systems.

**ROOF BOX 320**  
With a capacity of 320 litres, the black roof box has room for all your gear.

# SPORT THE LOOK.

You may not have been around when the MINI Cooper first made motorsport history, but you can still experience its sporty character first hand every time you get behind the wheel. Its motorsport pedigree also finds expression in a range of dynamic design details.

The **sport stripes** for the bonnet, tailgate and roof are available in various colours and are made of premium-quality colour decals. Light, weather, and wash resistant.

The **JWC exterior mirror caps** in two different designs and the **JWC Carbon air intake trim** reflect its undiluted power and performance concept.

# BLACK, BOLD AND BEAUTIFUL.

**PIANO BLACK FUEL FILLER CAP**  
Heightens the sporty character of your car.

**PIANO BLACK DOOR HANDLES**  
Small details with a striking effect.

## SEE THINGS IN A BETTER LIGHT.

The **auxiliary LED headlights** in Piano Black provide brighter road illumination than ever using the latest LED light technology and are a real highlight – even when not in use.

# A QUESTION OF TRADITION: THE UNION JACK.

The MINI is an essential part of Britain's rich motorsport heritage and an icon of cool Britannia. So what better way to honour this proud tradition than by flying the Union Jack?

The standard caps can be easily replaced with the decorative **exterior mirror caps**.

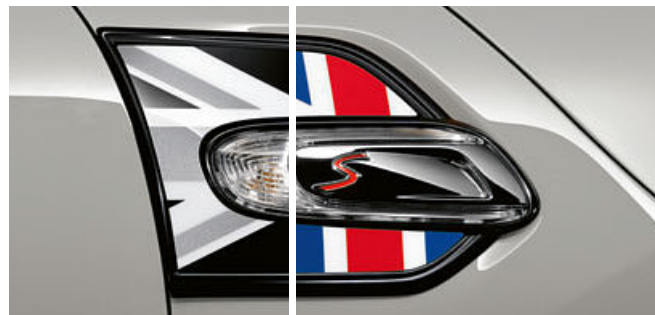

Black Jack

Union Jack

The decorative **side scuttles** are available in different designs and can simply be clipped into the side indicators instead of the standard side scuttles.

# TECHNOLOGY FOR 21ST CENTURY DRIVERS.

The John Cooper Works Track Fix holder for action cameras (1) can be mounted quickly and enables you to shoot spectacular driving footage. The MINI CLICK & DRIVE SYSTEM basic carrier (2) holds a wide range of smartphones as well as the MINI Portable XL navigation system securely in place.

The full-HD wide-angle camera MINI Advanced Car Eye 2.0\* (3) automatically records and documents potential accidents and (attempted) break-ins. The Head-Up Screen (4) puts relevant vehicle and navigation information into the driver's line of vision.

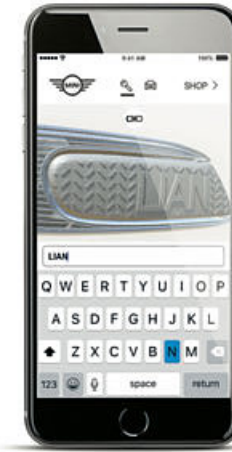

\*The permissibility and use of the video recordings depends upon the laws and regulations of the country in which the camera is used. Please inform yourself of these laws before your journey. The user is responsible for the use of the camera system and for compliance with the regulations of the country in which it is used.

# MINI YOURS CUSTOMISED.

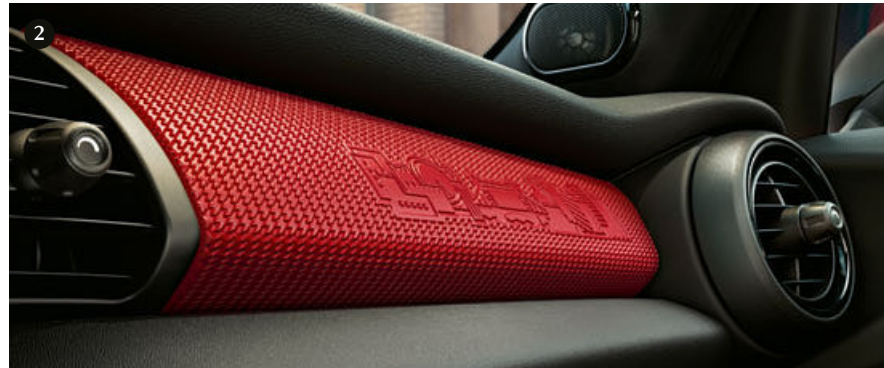

Are you looking for a car with signature details all its own, matching your personal style one to one? Then explore the possibilities of MINI Yours Customised\* and go creative. Design as many as 4 special signature details as one-offs and make your MINI as unique as your fingerprint.

You can pick and choose your individual MINI equipment in the MINI Yours Customised webshop ([yours-customised.mini](https://yours-customised.mini)) on your smartphone, tablet or desktop PC. We use digital processes like 3D printing and laser technology to ensure outstanding quality and accuracy of fit.

## MINI YOURS CUSTOMISED. HERE'S HOW IT WORKS:

Go to [yours-customised.mini](https://yours-customised.mini) to visit the webshop – choose the product you want and create your very own design – preview the product online in or on the car – save your finished design and place your order – install your signature parts yourself or have them installed by your authorised MINI DEALER.

### 1 PERSONALISED SIDE SCUTTLES

Design your very own side scuttles and show the world what matters to you. Browse the wide range of options, choose the look you like best, add your personalised lettering. Available in a set of 2, different designs for left and right sides are possible.

### 2 CUSTOM COCKPIT FACIA

#### ON THE PASSENGER'S SIDE\*\*

Keep your favourite motif always in view: Design your very own 3D-printed Cockpit Facia for the passenger's side: Choose from different colours and patterns and pick out the icon you want. Then add your personalised lettering or a name. Piano Black\*\* finish is required because it allows the standard Cockpit Facia to be easily removed and replaced.

### 3 ILLUMINATED DOOR SILLS WITH CUSTOM STATEMENT

Modern laser technology burns your message into the car's door sills: You have a choice of two colour variations, black and brushed aluminium. You can order different motifs for the driver's and passenger's side, from icons through to a replica of your own handwritten signature. Lighting by battery-powered LEDs.

### 4 LIGHT PROJECTION WHEN THE DOORS ARE OPENED

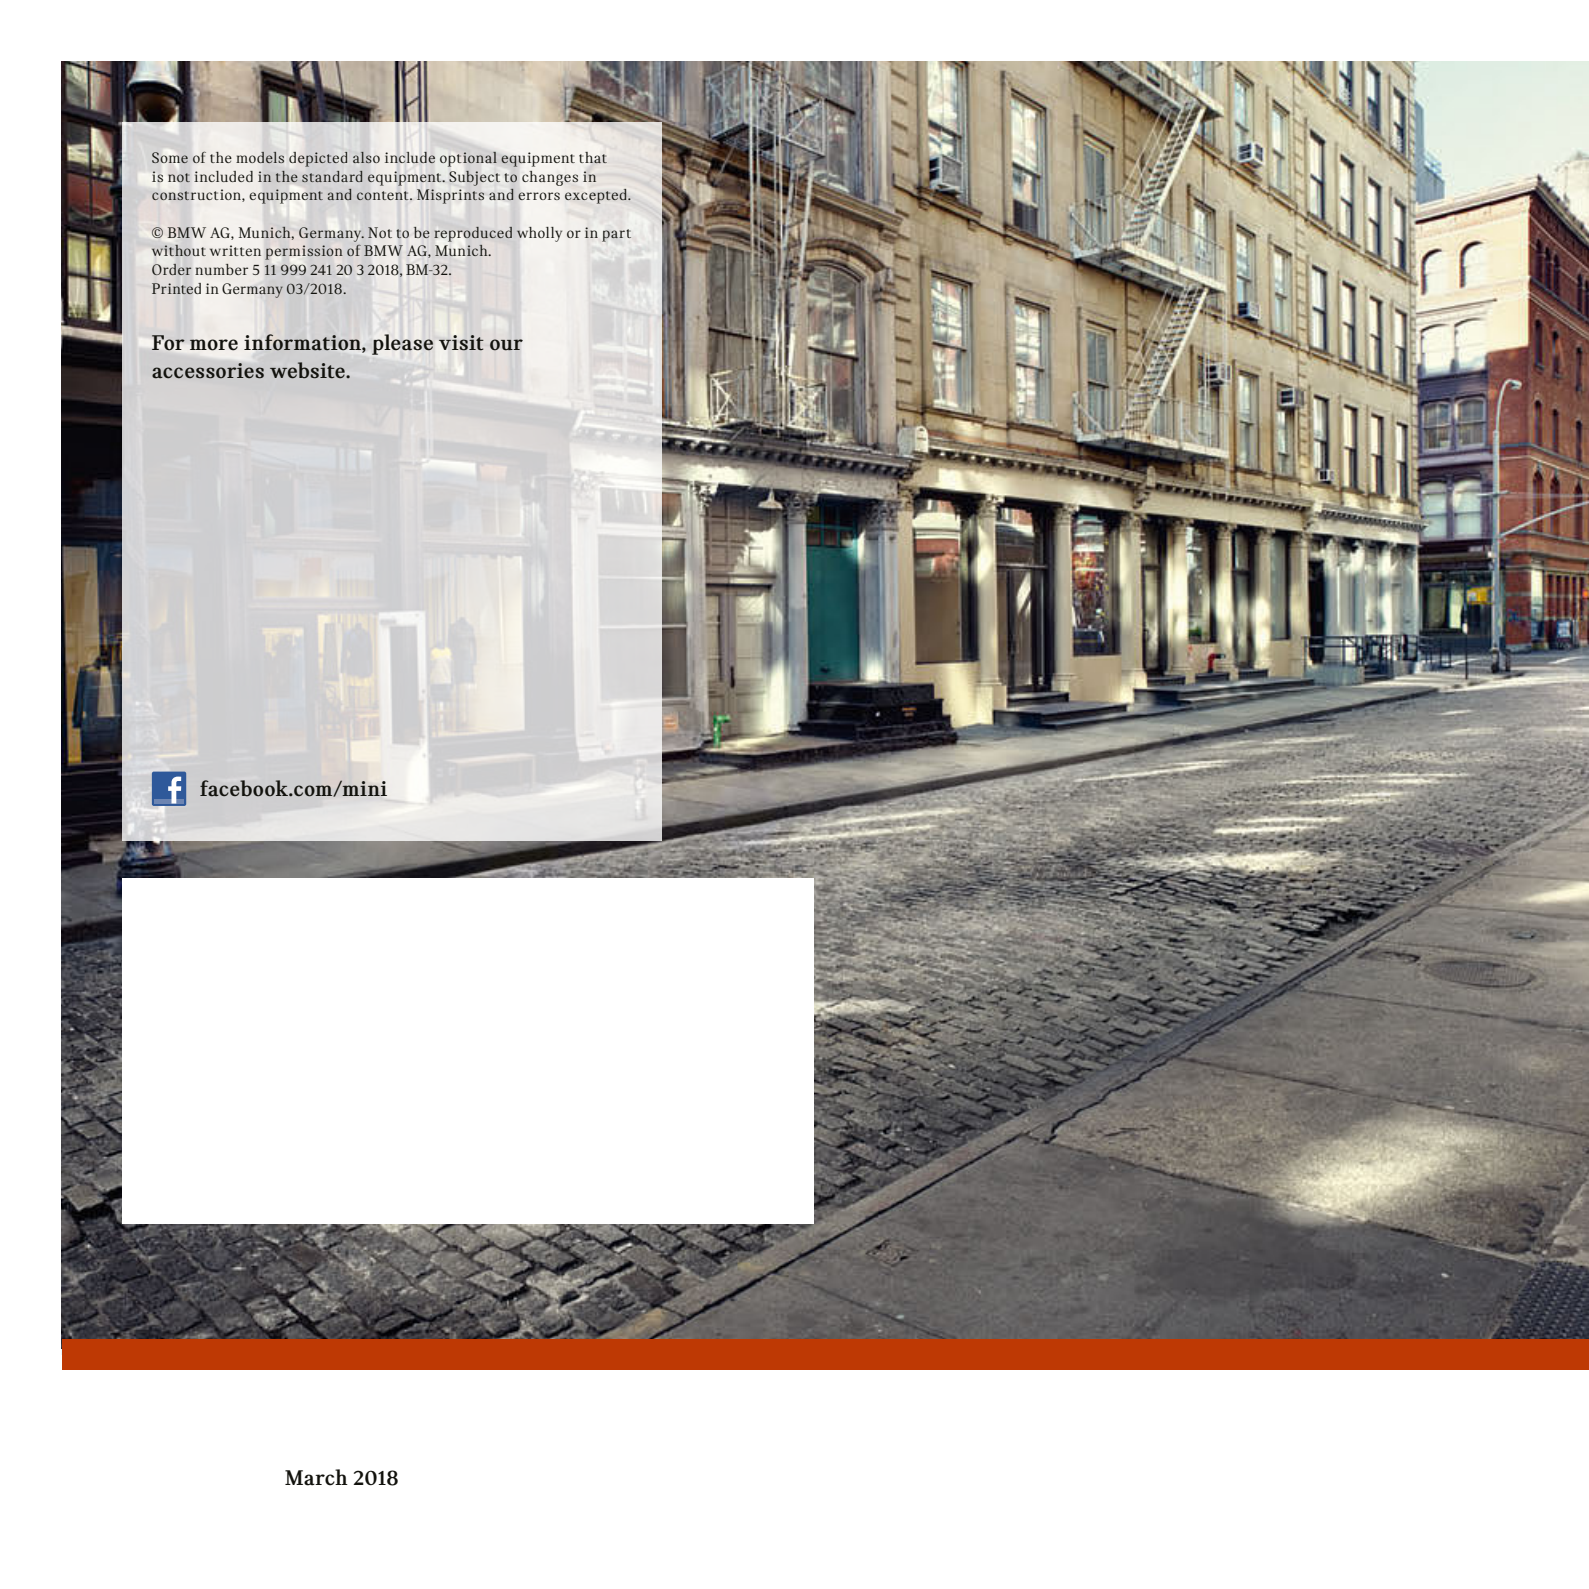

Design the slide for your personalised door projector\*\*\* and define the motif that will be projected on to the ground when the door is opened – from icons and patterns to a replica of your own handwritten signature or your initials. Different designs on left and right possible.

\* Availability can differ from market to market.

\*\* Available as of mid-2018.

\*\*\* Available in combination with lights package.

Some of the models depicted also include optional equipment that is not included in the standard equipment. Subject to changes in construction, equipment and content. Misprints and errors excepted.
